STONES

Beautiful natural character
in a low maintenance floor

Stones offers you a choice of exciting and stylish designs inspired by amazing locations around the world.

Our Stones Collection combines the elegant appearance of crafted natural stone tiles with modern materials for an easy-care floor that lasts a lifetime. Each gently textured tile fits beautifully into the unique shape of your space to emulate a stunningly authentic stone surface.

Each tile is created using low maintenance but strikingly finished modern materials that offer huge versatility. Explore exciting fitting patterns and enhance the look with the addition of grout effect strips to showcase each individual tile.

If you desire that feeling of real solidity underfoot in a warmer, non absorbent and easy to clean surface, then it's time to adventure into our Stones Collection.

Dorset

Discover STONES

Our Stones Collection is a range of natural effect luxury vinyl tiles. It's a robust, water resistant, glue-down flooring that can be fitted in almost any environment.

Made from easy-to-maintain contemporary materials, each design is produced in a wonderfully proportioned rectangular tile to enhance the authentic appeal and offer versatility with fitting styles. Natural tones and fine pattern detail bring every tile to life and remain stunning day in, day out.

Explore STONES

Add natural character to any space with a Brampton Chase Luxury Vinyl Floor. Every collection is made from contemporary materials and finished with a premium surface design.

Stones Collection has a highly durable wear layer and is robust enough for home, office and light commercial spaces.

Stones is engineered to combine extreme resilience with authentic natural looks. There's no compromise between performance and style.

Stones is as versatile as you need it to be, being both moisture and heat resistant it can be fitted in just about any interior space and over underfloor heating systems.

Stones has a gently textured surface created to look authentic and withstand the demands of everyday life - whilst being very quiet, gentle and comfortable underfoot.

Stones works for the whole family from children to pets, it's durable yet takes minimal effort to maintain. Indulge in wonderful designs that are all created for modern living.

Stones protective UV surface coating prevents dust or dirt from being embedded and makes it very resistant to stains. Grout effect strips are a great way of adding a realistic finish in a hassle free way.

STONES

The adventure begins

Limestone with Cream Grout

Cotswold

A light and delicate classic tile.

Our Cotswold finish brings the welcome warmth of a summer's morning into your home. Gentle browns and beige blend together in a design inspired from traditional homely settings. Match with bold colours or a gentle palette, this design can compliment a host of styles.

Cotswold with brown grout strips for striking contrast

Canyon

Exciting warm colours make a real impact.

Our Canyon finish features a broad array of rugged warm colours in every tile. This is one of our darkest shades in the collection and is inspired by truly dramatic landscapes. A strong statement for any floor, it works superbly in large spaces with rich colour themes.

Canyon with a cream grout strip single line border.

Henge

Strong, solid and mightily impressive.

Our Henge finish is the darkest design in our collection and creates a feeling of complete solidity. Deep greys mix with lighter cool tones to create this bluestone inspired wonder. A heritage stone tile that's at home alongside an array of interior styles.

Henge with grey grout strips adds real definition.

Style your floor

Tailor your Brampton Chase flooring with exciting fitting patterns. Any of our designs can be installed in an array of styles.

Brampton Chase Stones is an extremely versatile product. It can be installed in any room and also laid in many bespoke design patterns. Add greater impact by using angles or bring extra realism by using grout effect strips within your design.

There's a few layout inspirations displayed here, simply speak with your local retailer for further details on what can be achieved with your flooring.

▲ **Try Random Pattern.**

Fitted straight, angled or with border edge.

▼ **Or Classic Brick Bond Design.**

Fitted on the width, length or with border edge.

Add grout effect strips to any design for extra impact.

Grout strips are effective and versatile, you can match any strip to your chosen Stones design to create your ideal finish. *Ask your local retailer for further details.*

Cleaning and care

Brampton Chase luxury vinyl floors are amazingly durable, hard wearing and easy to care for.

Specialist surface treatments offer extremely strong wear layers which help protect against day to day living, pets, spills and more. Your flooring will look great for years with just a little TLC.

We only recommend Dr Schutz cleaning products for our flooring. These are formulated to work perfectly with our products and are available through your Brampton Chase retailer.

The finest detail

Brampton's protective UV surface coating is applied to every tile for added protection and a subtle matt finish.

Advanced durability with a clear PU wear layer, which protects the floor's design and adds the realistic subtle textured effect.

Nature in High Definition, this superior photographic layer adds the natural stone design to the tile. Controlled colour, accurate, consistent and stunning.

Essential strength and grip through a support layer designed to provide a strong foundation and maximum grip on installation.

The Core layer which brings balance, flexibility and stability to every tile.
